

BRIAN ABONG

Profile

Communications and multimedia specialist with 10+ years of experience delivering digital content, campaigns, and storytelling across development, humanitarian, conservation, and public sector contexts. Skilled in multimedia production, digital communications strategy, and AI-assisted content workflows for diverse global audiences.

Experienced in managing remote collaboration, producing high-impact visual and written content, and translating complex programmes into clear, engaging narratives aligned with donor and organizational priorities. Strong background in social media management, multimedia storytelling, digital visibility, and cross-functional communication support across distributed teams.
